

Action Items

Waste

- Public garbage and recycling bins in high traffic areas
- Implement sustainable (composting) systems
- Educate and encourage people to spread awareness about waste management

Transportation

- Create a modern active transportation plan
- Promote active transportation, and encourage small businesses to do the same
- Make bike lanes all around elementary and secondary school zones
- Create more crosswalks in school zones

Urban Sprawl

- Active transportation (bike lanes, bus routes, etc.)
- Increased Green spaces, community gardens, naturalized areas
- Using an environmental lens for new developments
- Intensification
- Be Proactive by encouraging and facilitating green development
- Energy Efficiency requirements
- Solar Finance plan with the Ontario government

Reforestation

- Spread trees throughout all areas of the city
- Prioritize wetland areas
- Protect mature trees
- Encourage residents to plant on their property
- Plant native tree species
- Set a goal of 40% tree coverage
- Start planting now
